## NEW ALLCO CHARGE CARD "Rewards" Program

Starting in June ALLCO Charge Card holders will be getting information about our all new and improved charge card. The enhanced charge card will offer:

**\* BONUS POINTS** One bonus point is awarded with each dollar charged. The points are redeemable for great merchandise and even for airfare.

**\* CONVENIENCE CHECKS** for qualifying charge card holders. These checks are mailed periodically throughout the year to our charge card members who meet certain criteria and have the available credit. The checks allow you to write your own check to pay off higher interest charge cards, or for school tuition or any other reason you choose.

**\* FREE COMPANION AIRLINE TICKET** is also in the works. We will let you know when these will be available and the criteria for obtaining a free companion ticket.

We at ALLCO are excited about the new charge card and all it has to offer for our members. Good rates, low fees, a grace period and now BONUS POINTS all make this charge card the one to keep and use. Please check your mail in the upcoming few months for special announcements concerning the new, the improved ALLCO charge card. Check it out- [www.scorecardrewards.com](http://www.scorecardrewards.com)

As always, we are striving to make sure that ALLCO Credit Union is the best place for our members to save & borrow.
